## For the "Boat People"

The "Marking Time: Voyage to Vietnam" Walker graffiti and voyage exhibit will be at the Marathon County Historical Society, 410 McIndoe Street, Wausau, Wisconsin, from May 1, 2014 through the end of February, 2015.

If some of the "boat people" are able to visit during this period, please let me know so I can notify the society. They are very interested in presenting member's voyage stories to the public in the form of public programming. This has been done very successfully at venues hosting the exhibit including the Santa Barbara Maritime Museum, Los Angeles Maritime Museum, Albemarle County Historical Society (Charlottesville, VA) and Nauticus (Norfolk, VA). *If you're interested in seeing this exhibit let me know.*

We hope you and other squadron members have an opportunity to visit the exhibit. Thank you and all for the help you've provided over the years to make the exhibit a reality.

## HHT Troop

By Oscar Olson (New HHT Rep)

My name is Oscar A. Olson, I served with the 2/1 Cavalry from 1966 to 1968. I was assigned to HHT and eventually wound up at Squadron HQ for the remainder of my service. I enjoy history and this opportunity takes me back. I would like to thank Lloyd for his service and enjoyed my contacts with him and the things he shared with me. My history with the 2/1 CAV starts at Fort Hood Texas. The 2/1 was part of the 2nd Armored Division (the "eyes and ears of the division" as it was explained to me). I have to admit that it was an exciting and life altering time. The Squadron was quite the eclectic mix, most of us draftees and from all over the country ...from Hawaii to NYC. I (personally) had never met a black man (being from Minnesota and all), now I was mixed in with blacks, whites, Hispanics, Koreans, Filipinos and the occasional Central American. It was quite an experience. I enjoyed the interaction with the senior NCO's who (for the most part) were WW2 or Korean veterans, their stories were fascinating. I had the opportunity to interact with the entire Troop's (with the exception of "D" Troop which was detached). I have a number of photos and a lot of names so any help I can get to contact these folks would be appreciated. I live in Aitkin Minnesota (sort of the middle of nowhere) and am "retired" so my main activities are fishing and yard work. At the current time it is -18 degrees so outdoor activity is somewhat limited. I hope to be able to attend the reunion in Milwaukee; most of the Veterans I see these days are a bit younger, and

somewhat reluctant to discuss their experiences. I have a trivia question for you: Who were "Kahuna's Killers" and who was "The Big Kahuna"? My contact information is: Oscar A. Olson, 44540 276th Lane, Aitkin Minnesota, E-mail - Diver746@AOL.com. By the way, I have heard from a trooper who knows Dennis Gulliford and have forwarded the information to Squadron HQ. Keep in touch.

## A Troop

By Brian Kosteck

Well the calendar on the wall says it is January, 2014. Whatever happened to 2013 is but a faint memory now. Time is passing too quickly and our good intentions to get together with this fellow or that couple soon gets lost in the shuffle of day to day activities. Soooo, this is your chance to mark the calendar and be ready when the reunion rolls around August 28th. A-Troopers, the reunion is in Milwaukee. Maybe the only place more known for beer than Milwaukee, is the 2/1 Cavalry reunions.

This year there will be new faces, new stories, same old stories with a different ending, and the list goes on and on. There may even be some new pictures of some very young people who are now almost too old to recognize themselves. So, don't miss this chance to see those guys you "happened" to meet a long, long time ago. See you there!

Again, I welcome any and all advice and commentary you may have. If you have any ideas or suggestions for things to be included in the *Blackhawk Bulletin*, please contact me. I am not the greatest person for timely reviewing emails so if you send something, don't be afraid to call me to let me know you have sent something. My contact information is new as Janet and I

moved in July of 2013: Brian Kosteck, 1223 Providence Drive, Fort Wayne, IN 46815; phone 260-493-2701; email: jbkosteck@frontier.com.

## B Troop

By Warren Roach

Back in August, I was notified by VVA to attend the Shenandoah County Fair for the Tribute which paid homage to veterans both past and present. The main speaker was our own Gen. John N. Abrams. John spoke to all veterans, from the young recruits, to veterans of past wars and now. He also made comments about keeping pressure on the present administration to spend enough money for veterans to receive proper care for service-related injuries and illness.

I met with John before the Tribute. We talked about getting together so he could catch up on what our association is up to. One thing which John did made my day... I came to the fair with two other veterans; Alan Dodson, a good friend whom I worked with at Dulles Airport in Washington, and Jake McNair, who served with 25 Inf. ID in Vietnam, whom I met about five years ago through Alan. Jake has been in a wheel chair since the war. Getting back to the point at hand... John and I were talking about the old days when he asked me who the veteran was in the chair and that he would like to meet him; so I introduced him to Jake. I could see Jake's eyes light up as the General introduced himself. I know that it made Jake's day and it put a tear in my eye. After words, Jake looked at me and Alan and commented that a four Star General had shook his hand, thanked him for his service, and acted like he had served with him and that he knew me all my life. I said to Jake, "well you did serve under his father," Jake broke out in a

big laugh. The sad thing is that Jake surrendered to his injuries and illness and passed away in September. It made me feel good that Jake had passed away with some recognition for his service.

I end this report with this comment, "Some give all and some are still giving!" We are at that age that we all may need help in our life sometime. It does not matter what rank you were, or what unit you were in, get out there and help your brother. He needs you and you will need him. *33 out!*

## C Troop

By Wayne (Hooker) Hook

Ronald Menard passed 3/10/13. I received word of this when we were at Firebase Barkers. Al Doty passed away 9/07/13 and although I don't have the names, there was a good turnout for his funeral.

Hope everyone had a great holiday season and hope to see all in Milwaukee. We've got a good program for you.

## D Troop

By Raymond Marple

"D Troop all present and accounted for" ... In my dreams, all of you D Troopers, including the Blues and LRRPS, get your calendars out and make sure you note the reunion in Milwaukee, Wisconsin this year. We, in D troop, have been building in numbers since Branson, Missouri. Let's see if we can beat last year's attendance. I know by Chinook or by crook, I plan on being there. Remember... if anyone needs some information on the Associations doings, if I don't know firsthand, I do know who to contact and will find out for you. Till next time "SCOUTS OUT" Your rep: Ray Marple, rangerf425@sbcglobal.net 1-313-541-8607

# Vice President's Report

— Lance Lake

Well as we go into 2014 I am praying each and every one of you will be blessed in this coming year. I am so looking forward to our reunion coming up this year. Jo and I will be there with bells on looking forward to seeing all our old friends and hoping for more new troopers to show and add to our family.

Had such a good time at Firebase Barker in September of 2013 and looking forward to going there again in 2014. We have only been going the last few years and their hospitality makes you feel like royalty. After 25 years they have assured me it only gets better.

Please be making your plans now to attend our 2/1 Cavalry Association Reunion in Milwaukee. We really need your dues also if you have not paid them. Your dues of only \$10.00 are to help operate your association and to send out the *Blackhawk Bulletin*. Please continue to help us maintain the high quality of service that your officers have strived to give you all. God Bless You All!

# Current Active Squadron

Greetings Blackhawk Nation,

I hope you are all doing well and looking forward to Christmas and the quickly approaching Opportunity Leave Period. We truly enjoyed having so many of you attend the Squadron Halloween party and Thanksgiving Potluck, these two events were the best attended I have seen. Since the Last newsletter we said farewell to CPT James Lienau as he relinquished command of Cherokee Troop to CPT Arcadio Avalos. James was instrumental in the successful training and deployment of the Troop to Afghanistan. I couldn't be more proud of CPT Lienau's efforts and wish him the very best in his future endeavors.

Please mark your calendars for 14 March 2014. There will be a ceremony to inactivate the Squadron and its Troops, at the conclusion of the ceremony the Squadron's colors and Troop guidons will be sent to Fort Carson, CO where our lineage will continue. Many of our Soldiers will remain in the Brigade past the March inactivation, waiting for their

next assignment or date to leave the Army. Though there are still many more decisions to be made and much more information to be distributed, we do know quite a few things. Firstly, in March and April the Squadron will become a Troop and the Troops will become a platoon. As Troops inactivate, a small inactivation cadre from the inactivating Troop will join B Troop as a subordinated platoon. As Soldiers are transferred to other units on JBLM, PCS, or ETS/Retire, B Troop will continue to slim down until it goes away, which is anticipated to be sometime in September 2014. Those Soldiers remaining will be diligently working to transfer our remaining equipment throughout the Army. No Soldier in our Squadron will be forgotten about during the inactivation process, the Squadron's leadership will make sure that every Soldier is accounted for, taken care of, and moved to the next stage of their career.

A second major point is that due to our fairly rapid inactivation process, many of our training events

have come off the calendar. Our focus will be oriented towards Soldier/family readiness and property accountability. Our Soldiers will be spending more time in the motor pool and Squadron's storage facilities to make sure equipment and vehicles are ready to be transferred to new units. As the Squadron's property decreases so will the number of Soldiers assigned to the Squadron.

If you have any questions or concerns please pass them to your respective FRG leaders and Troop chain of command and we will do our best to address them. Open lines of communication are critical as we navigate the coming months. As always, I would like to personally thank the family and friends of the Blackhawk Nation for your enduring support of the Squadron and its mission.

Blackhawks! Animo Et Fide!

## 2013 Firebase Barker

— *Over and Out* by Jerry Barker

CSM Elaine and I wish to salute all who made FB 2013 a resounding 2/1 Cavalry success! Indy has evolved into something more than a three-day pass. It has become a seven day R&R. Early warriors began arriving on Monday. We served 54 for Sunday mess. On Saturday night 99 personnel enjoyed Cavalry Communion with all the usual fix'ins. There were 39 veterans present, which is a record.

A special "thank you" to all of our 2/1 Cavalry officers, reps, and of course, the ladies. Those fantastic ladies! We are truly blessed to have such wonderful helpmates who keep us off the edge of the ledge. Their patience and talents ensure that whenever Troopers come together, for any occasion, it is going to pass muster every time. What is that Fourth Division motto; "Steadfast and Loyal", fits them perfectly.

2013 may be over, but we have much to look forward to in this New Year. Base Camp Milwaukee is right around the corner, 28-31 August. Firebase Barker 2014 will, once again, be the third weekend in September. In the meantime, continue to walk your posts in a military manner, being alert for fire or disorder. After all, IT'S A JUNGLE OUT THERE!
